

### Application to the examinations committee for an external laboratory project

*To be filled in by the student: Please fill in by machine and send as a pdf to [bio.pruefung@bio.uni-goettingen.de](mailto:bio.pruefung@bio.uni-goettingen.de) or by post to Prüfungsamt Biologie, Wilhelm-Weber-Str. 2, 37073 Göttingen.*

**Course of study:**  MSc Molecular Life Science  MSc Developmental, Neural and Behavioral Biology  
 M.I.N.C  MSc Biodiversity, Ecology and Evolution  MSc Computational Biology and Bioinformatics

Name of the student: \_\_\_\_\_

Matriculation number: \_\_\_\_\_

#### Information about the project

External lab rotation shall be accredited as

a profile module  an advanced module  a key competence module

Approx. Starting date of the external project: \_\_\_\_\_ Number of min. weeks of the project: \_\_\_\_\_

Name of institution/department incl. full address:

Title of the project:

Short description of the project:

Shall this project be accredited through a specific module number, like as "SK.Bio.327: Internship", or "M.Che.1221: Organic Chemistry: Practical research course":  No  Yes (Only for key competences)

Shall this project be an Advanced Module: Please name the module number of an official advanced module as which your project shall be accredited :

If yes, full module number and name of the module: \_\_\_\_\_

Name of the supervisor at the hosting institution: \_\_\_\_\_

Email address: \_\_\_\_\_

#### Internal examiner (from the examiners list)

Name: \_\_\_\_\_

Email address: \_\_\_\_\_

I, the internal examiner agree to this project and will assess its exam.

Date: \_\_\_\_\_ Signature: \_\_\_\_\_

#### Additional documents to be attached to this form into one single pdf:

- CV of the external supervisor
- Invitation letter of the hosting institution
- Summary of achievement of the student (all achievements)

I am aware that only the internal examiner is allowed to officially assess the report of this project.

Date: \_\_\_\_\_ Student's Signature: \_\_\_\_\_
