

*Hello,
Welcome to the
EFForTS gallery...*

*You will be treated to
Indonesia's uniqueness and
natural beauty, which are
reflected in our products*

In frame

Code A1 : Tumbler / water bottle with EForTS biodiversity motif

Here, we don't just sell products, but we also share knowledge, bring something meaningful to other people...

In frame
Code A1 : Tumbler / water bottle with all biodiversity motif

Something concealed, valuable, ...

In frame
Code A2 : Tumbler / water
bottle with *Hoya* drawings

*...beautiful, and perhaps we have
never found it before*

In frame

Code A3 : Tumbler / water bottle with bird drawings

About the biodiversity in Indonesia, which holds numerous species of animals and plants...

In frame
Code A3 : Tumbler / water bottle with bird drawings

*Species that are rare, unique, or even
endemic...*

*...that you
may have
never known
before*

In frame

Code A3 : Tumbler / water bottle with bird drawings

*Our products
are inspired
by the results
of our long-
term
collaboration
project, which
has lasted for
12 years...*

In frame

Code A4 : Tumbler / water bottle with frog drawings

A research collaboration between Indonesia and Germany in a variety of study fields...

In frame

Code A5 : Tumbler / water bottle with bee drawings

In frame
Code A6 : Tumbler /
water bottle with *Aedes
aegypti* drawings

*which took place in and around the Bukit
Duabelas National Park and Harapan Rainforest
areas, Jambi, Sumatra*

In frame

Code A6 : Tumbler / water bottle with mosquito batik

...long-term research that focuses on, “how habitat transformation from forest to monoculture plantations of rubber and oil palm will affect the ecological and socio-economic conditions in the tropical area”

In frame

Code A7 : Tumbler / water bottle with Collembola drawings

And here, we are focusing on our findings about all the biodiversity in Jambi, Sumatra

*under the
framework
of EFFORTS
project...*

In frame
Code A8 : Tumbler /
water bottle from
carved wood.
You can order in any
pattern you want...

EFForTS not only about a research project, more than that, EFForTS has created memories and valuable meaning for each individual who becomes a part of it...

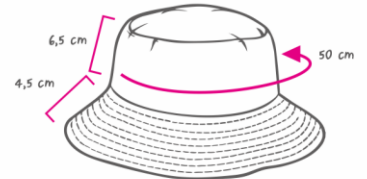

In frame
Code B1 : Bucket hat with EFForTS biodiversity motif

Through EFForTS findings, we found an idea, to develop arts based on all the biodiversity on the EFForTS plots...

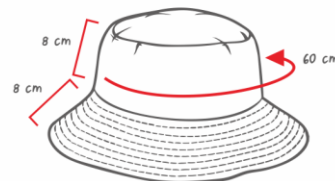

BUCKET HAT
available in two size

Small

Medium

8 x 8 x 50 cm
double sided

6,5 x 4,5 x 50 cm
double sided

*there will be slightly different 1-2 cm due to the stitches

From science and culture, to becoming an original art...

In frame

Code B1 : Bucket hat with three different motifs. We have: all biodiversity, insect diversity, and BEE (Biodiversity Enrichment Experiment) plot.

through the value of “biocultural diversity”

We create our original pieces that will not be found anywhere else...

**In frame
