**Please note:**

The internship shall be associated with a current research topic of the supervisor, it can also show contribution in the preparation of publications. The topic shall be associated with the successive final thesis. Furthermore, the internship is an ungraded work (that means, assessed either as passed or failed). At the end of the internship, a descriptive report and an evaluation of the supervisor on the issues, methods and results of the internship has to be handed over to the board of examiners.

**This document has to be handed in at the secretary's office with all signatures!**
