5) Documents

Please include the following documents in your application:

- ✓ [application form](#) of GGG
- ✓ resume in table form and diplomas achieved so far (copy)
- ✓ statement of need (3 pages max) including the following information:
 - beginning and development of your thesis until now, state of supervision, financing until now
 - family situation (number of children, daycare, your activity within the child care or other kind of care / who is helping?)
 - income of the family and financial support as parents
 - if any: description of additional reasons (like social background, disability or illness, residence permit status, need of assistance)
 - additional scientific reasons for receiving the grant (e.g. Cotutelle)
- ✓ table of contents of the dissertation that shows the current state of the working progress (finished parts, parts who need to be revised, parts that are missing?)
- ✓ work schedule for the period of financial funding
- ✓ statement of your supervision, including information on the need and the priority of the GGG-Support. It also should tell us in a realistic manner, if and until when the dissertation will be finished and give us an evaluation of how the PhD project would profit from this funding.
